

Four Simple Sentences

1. Noise is a public health, public safety, and economic matter. See Noise Free America and other research.
2. Properly tailored Sound rules are legal and are in the City's best interest (necessary) for a Sustainable, Successful Sarasota.
3. Enforce current Sound Ordinance, including Plainly Audible
4. IF amending the Sound Ordinance:
 - Plainly Audible as the main standard with appropriate feet measurements and nighttime standard of 10:00pm, seven days a week.
 - ADD "daytime/evening" limits
 - NO exemption for Special Events, have Sound Ordinance apply (IF it's sufficient like above)
